ଓ Howrah, India ⌂ https://mydashboard713.netlify.app/

## Skills

- **Frontend Technologies :**  
HTML, CSS, JavaScript
- **Programming Languages & CS Fundamentals :**  
Python, Java, C, Data Structures & Algorithms , Operating System
- **Database :** SQL , MongoDB
- **Machine Learning :**  
Model development, evaluation, and deployment workflows
- **Cloud & Deployment Platforms :**  
Netlify, Vercel, Render, Streamlit ,Git, Github

## Experience

### Internships

6 Weeks

1. IBM SkillsBuild Frontend Development by Edunet.
2. IBM SkillsBuild Ai&ML Internship by Edunet.

## Projects

### Employee Salary Prediction Using Machine Learning

- Developed a machine learning project to predict employee salaries by performing thorough existing data feeding, feature engineering and model selection (using Python).
- Built an interactive web application Using Streamlit to allow users to input employee attributes and receive salary predictions in real-time, and deployed it on a cloud platform.

### Netflix-Clone

- This project is a front-end clone of Netflix.com. It is built using HTML and CSS and is fully responsive across devices.

### SpeedMart-E-Commerce-App

- Live App: <https://speedmart-order.netlify.app/>
  - Designed and developed a full-stack e-commerce web application enabling users to securely register and log in.
  - Implemented product browsing and purchasing functionality with an intuitive and responsive user interface.
  - Built a complete order management system allowing users to place orders and view detailed order history.
  - Integrated authentication and session handling to ensure secure access to user accounts.
  - Developed cart and checkout workflows to simulate real-world online shopping behaviour.
  - Deployed the application on Netlify frontend and backend on render .

### Weather App

- A simple Weather Application built with HTML, CSS, and python script using flask module that uses the OpenWeatherMap API to fetch and display live weather updates.

## Education

MCKV Institute Of Engineering	B.Tech Information Technology · CGPA 9.27(till 2nd year)	8/11/2023 - 6/30/2027
Tapsia VidyaSagar Sikshayatan(H.S)	H.S · Percentage 90%	9/1/2020 - 6/30/2022
Tapsia VidyaSagar Sikshayatan(H.S)	Madhyamik · Percentage 88.42%	9/1/2015 - 6/30/2020
